ACKNOWLEDGEMENTS

The Carefree Desert Gardens are managed by the Town of Carefree. Special thanks to Desert Foothills Landscape for upgrading and maintaining the Carefree Desert Gardens.

Volunteers who assisted with plant identification: Pamela Slate, Matt Johnson, Scott McMahon and Kent Newland.

THANK YOU FOR VISITING

We hope you enjoy the beauty and tranquility of the Carefree Desert Gardens.

To preserve the integrity and ecosystem of the garden, we kindly ask visitors to refrain from touching the plants.

PLANT IDENTIFICATION

ACCEPTED NAME	COMMON NAME
1 Yucca elata	soap-tree-yucca
Pachycereus schottii	senita
Fouquieria splendens	ocotillo
Carnegiea gigantea	saguaro
Cereus hildmannianus forma monstrosus ...	monstrose cereus
Ferocactus emoryi	Coville barrel cactus
2 Ferocactus herrerae	fishhook barrel cactus
Pachycereus weberi	cardon
Euphorbia resinifera	Moroccan mound
3 Olneya tesota	desert ironwood
Pachycereus schottli forma monstrosus	totem pole cactus
Echinocactus grusonii	golden barrel cactus
Stenocereus thurberi	organ pipe cactus
Fouquieria columnaris	boojum
4 x Prosopis chilensis	Chilean mesquite hybrid
Senna artemisioides subsp. petiolaris	silvery senna
Aloe dichotoma	quiver tree
5 Chamaerops humilis	Mediterranean fan palm
6 Chamaerops humilis	Mediterranean fan palm
Neoraimondia herzogiana	caripari
Pachycereus schottii forma monstrosus	totem pole cactus
Cephalocereus senilis	old man of Mexico
Acacia farnesiana	sweet acacia
Parkinsonia praecox	palo brea
7 Ferocactus robustus	clump barrel
Ferocactus glaucescens	blue barrel cactus
Ferocactus emoryi	Coville barrel cactus
Echinocactus grusonii	golden barrel cactus
Echinocactus platyacanthus	biznaga gigante
Ferocactus alamosanus	Alamos barrel cactus
Grusonia invicta	dagger cholla
Euphorbia caerulescens	sweet noor

ACCEPTED NAME	COMMON NAME
8 Opuntia engelmannii	Engelmann prickly pear
Yucca brevifolia	Joshua tree
9 Oreocereus celsianus	old man of the Andes
Echinopsis atacamensis subsp. pasacana	cardon grande
10 Echinocactus grusonii	golden barrel cactus
Pachycereus pringlei	cardon
Stenocereus thurberi crest	crested organ pipe cactus
Cleistocactus straussii	silver torch cactus
11 Pachycereus marginatus	Mexican fence post
Aloe ferox	Cape aloe
12 Echinocactus grusonii	golden barrel cactus
Myrtillocactus geometrizans crest	crested whortleberry cactus
Grusonia bradtiana	organillo
13 Sophora secundiflora	Texas mountain laurel
Cereus hankeanus	Bolivian apple cactus
Echinopsis pachanoi	San Pedro cactus
Prosopis velutina	velvet mesquite
14 Chilopsis linearis	Lucretia Hamilton' desert willow
Cereus hildmannianus forma monstrosus	monstrose cereus
Ebenopsis ebano	Texas ebony
15 Fouquieria macdougallii	ocotillo macho
yucca rigida	blue yucca
Camegiea gigantea crest	crested saguaro
Yucca rostrata	beaked yucca
Stetsonia coryne	Argentine toothpick cactus
16 Caesalpinia pulcherrima	red bird of paradise
Parkinsonia praecox	palo brea
Simmondsia chinensis	jojoba

*Each plant marker includes botanical name, common name if applicable, and habitat. The symbol 'x' on a marker means 'cultivated hybrid' and is pronounced 'times'.
